

TIME TRAVEL PASSPORT

This passport belongs to:

Lesson 1

Passport Setup

Directions: Before your journey begins, set up your passport.

- ☐ Write your name on the cover.
- ☐ Decorate the cover.
- ☐ Look at the World Map.
- ☐ Find where you live. Draw a small star or house there. Write “Home” and today’s date beside it.

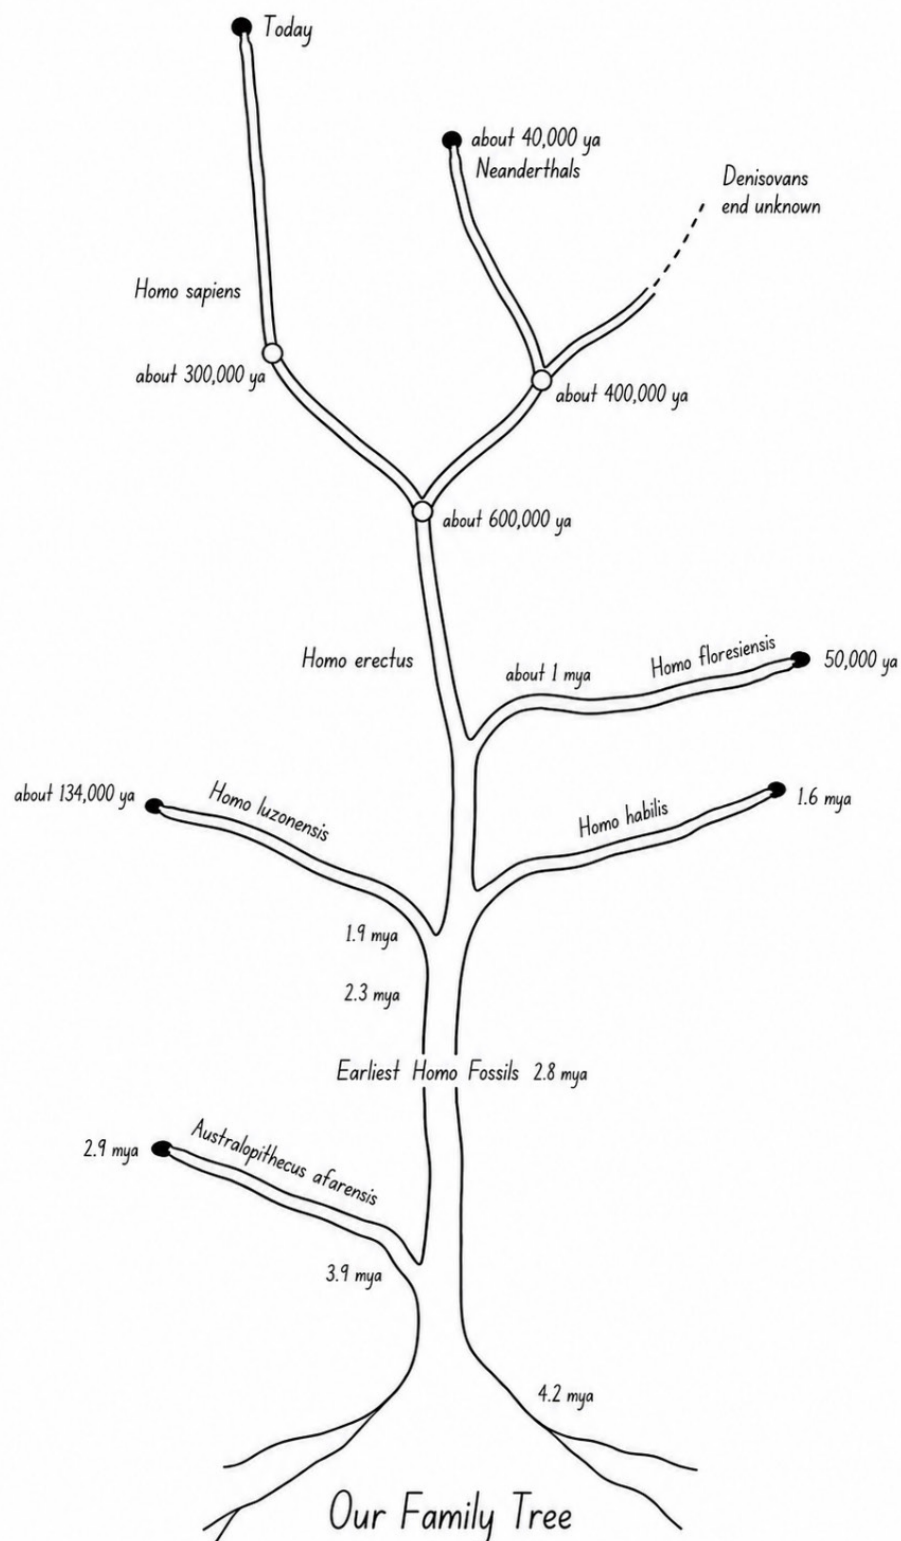

Your passport holds four things that will grow across the year: the World Map, a line for each journey, your family tree, and your stamps.

Lesson 4

Homo habilis 2 million years ago

Directions: Draw a leaf on the branch: *Australopithecus afarensis*. Then find the branch labeled *Homo habilis*. Draw a new leaf on that branch.

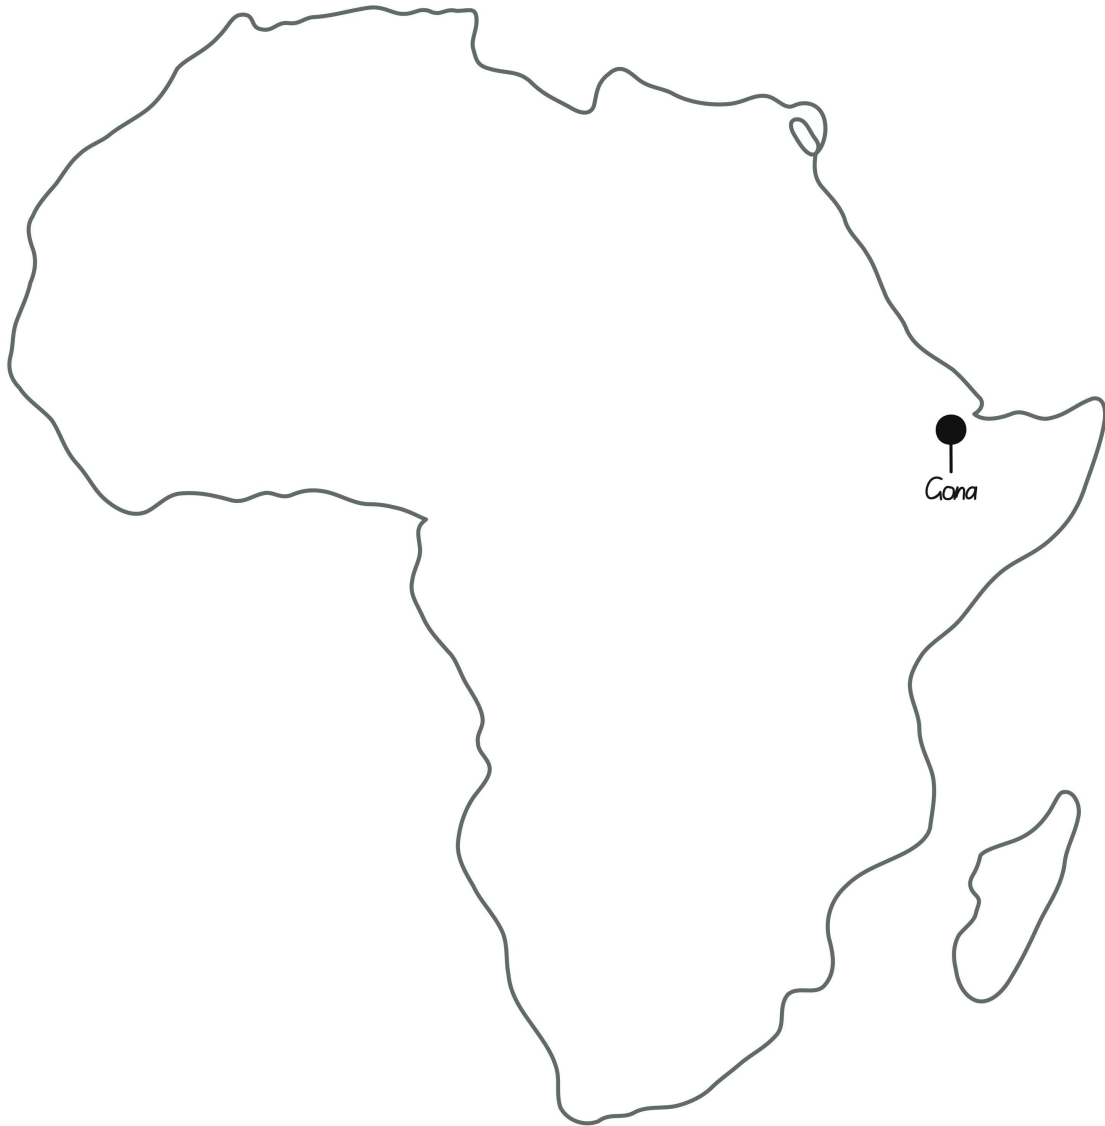

Gona, East Africa 2 million years ago

Directions: Find Gona on the map of Africa and color it. Draw a few stone tools beside the pin.

Write: Homo habilis, 2 million years ago.

Add the stamp: Early Tool Makers.

Lesson 13

Southeast Asia, more than 65,000 years ago

Directions: Find Sunda on the map and color it. Draw a small raft near the coast.

Write: Deep Water Crossing, 65,000 years ago.

Add the stamp: Island Innovators, People of the Sea.

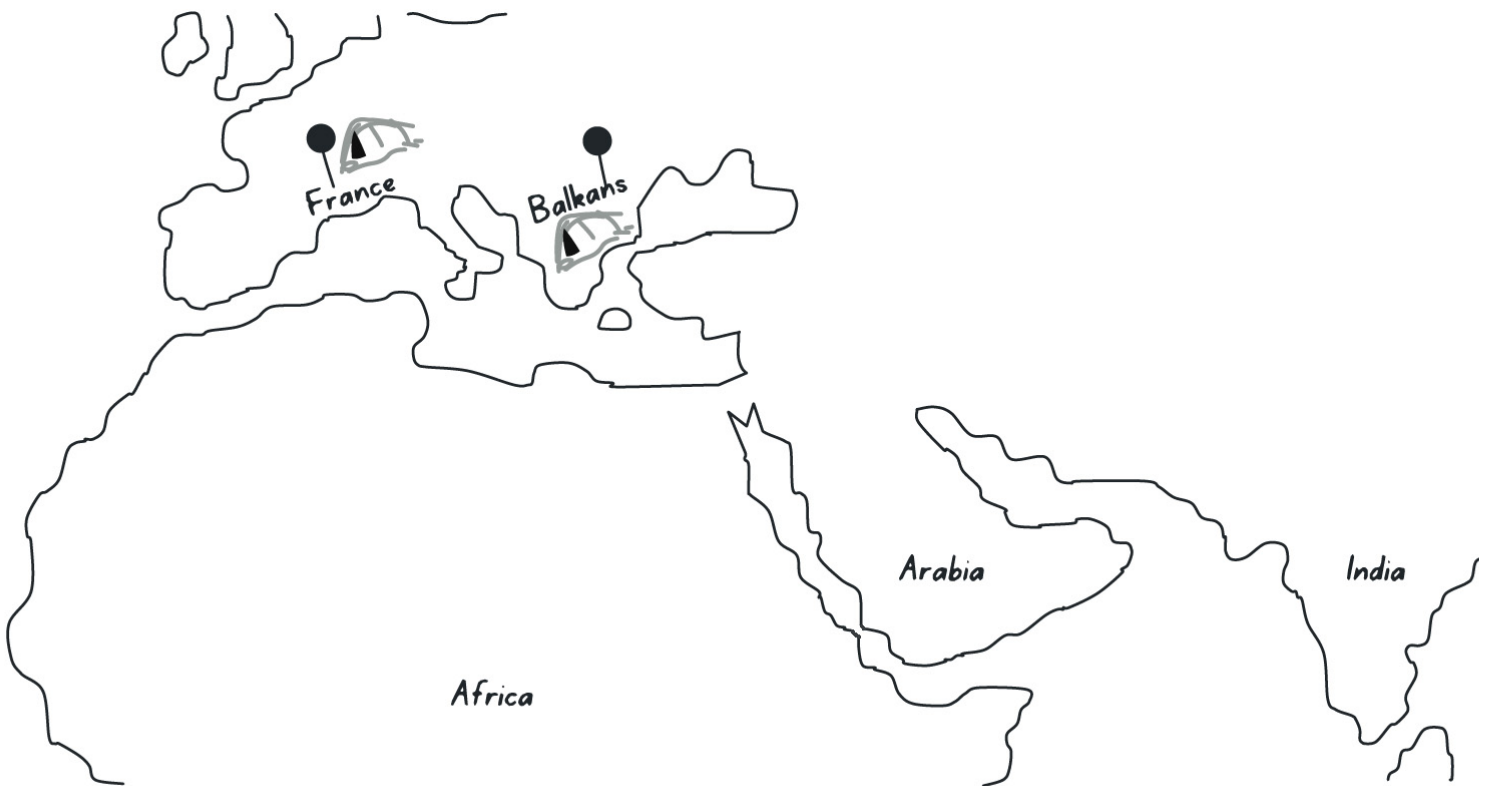

Lesson 18

The Ardèche Valley, Southern France, 36,000 years ago

Directions: Find the Ardèche Valley in southern France and mark it. Circle the cave where Ice Age people painted.

Write: The Cave of Animals, 36,000 years ago.

Add the stamp: The Artists of Chauvet Cave.

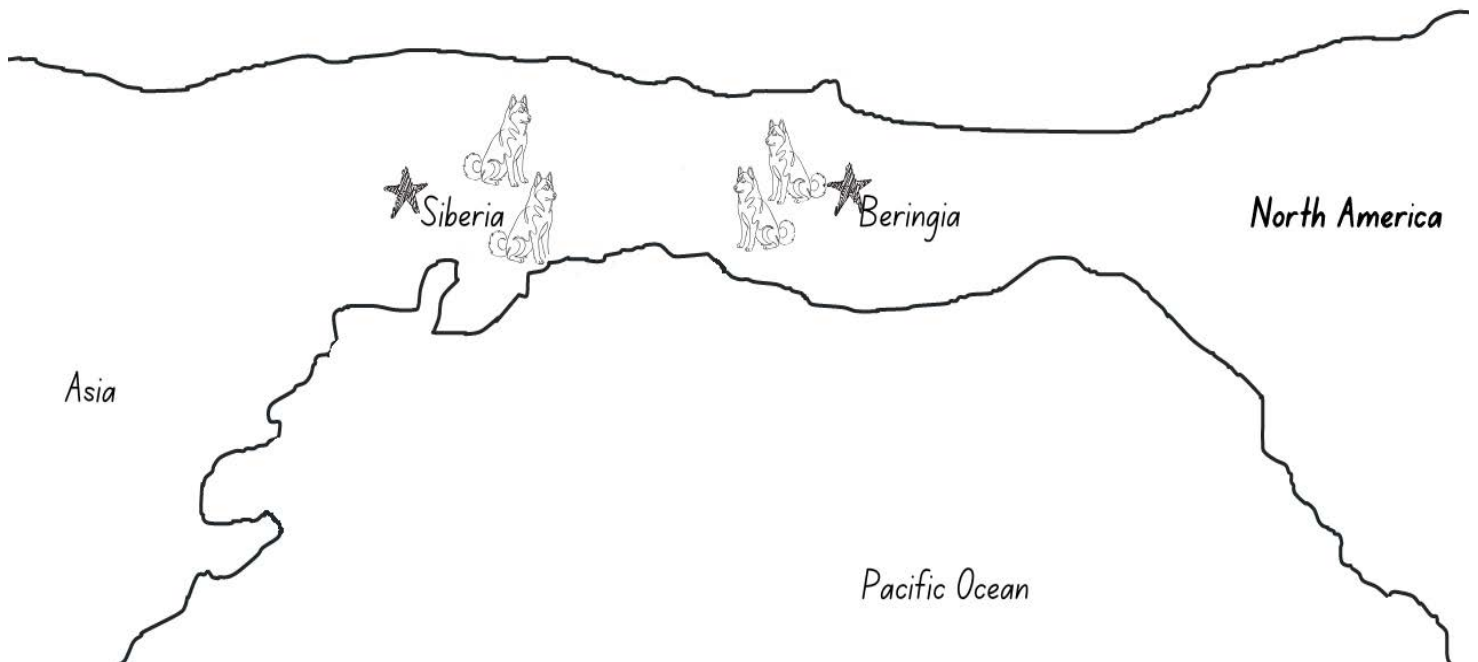

Lesson 21

Siberia & Beringia, 23,000 years ago

Directions: Find the Ice Age north, Siberia and Beringia, and color it.

Write: How Wolves Became Dogs, 23,000 years ago.

Add the stamp: The First Domestication.

Lesson 32

The Andes Mountains, in Peru, about 6,500 years ago

Directions: Find the Andes along the western side of South America and color them.

Write: Farming at Altitude, 6,500 years ago.

Add the stamp: Vertical Farming.
